Mr. P. M. Keen, the Monument attorney, was in the city yesterday.

A plat of the Midland ditch was filed with the county clerk yesterday by Mrs. L. L. Hall.

There will be a regular meeting of The Jackson Hose company next Monday evening.

The Hook and Ladder company will realize about $275 from their ball given on Washington's birth day.

Messrs. David Spielman and William Farnsworth, two Manitou Park ranchmen, were in the city yesterday.

It is estimated that it will take $300 to repair the damage to the city hall caused by the fire of last Saturday night.

The drawing for C. W. Collins' horse, harness and cart will take place at The Anchor sale next Monday evening.

Several of Monument's most enterprising and prosperous citizens are advocating the erection of a new school house at that place.

Rev. J. D. Graham of the United Presbyterian church will preach in the Cumberland Presbyterian church tomorrow morning at 11 o'clock.

The letter carrier on route 3 having sprained his foot, the residents of that district will be compelled to come to the postoffice for their mail.

Several new stores will soon be ready for business at Monument. Among them is a hardware store owned by Mr. J. E. Smith and a drug store.

Police Magistrate Shidders' office is now adorned by an excellent crayon portrait of his honor executed by his daughter Miss A. H. Barteau.

Maj. Captain H. L. Bell is superintending the construction of the large reservoir irrigating reservoir for the Broadmoor Dairy and Live Stock company.

Mr. F. G. Rose has purchased of Mr. Hodgson a portion of the Hodgman and Bergen block, on the south side of Huerfano street, between Nevada avenue and Tejon street. The consideration stated in the deed was $3,000.

The name of Major Otis Rennick, local agent of the Northwestern Life Insurance company, is being mentioned as a possible candidate for alderman from the Third ward.

There will be a mass-meeting concert at the First Baptist church Sunday evening at which the mission fund and others will participate. An interesting programme will be rendered.

Sheriff Jackson went to Denver yesterday to attend the meeting of the sheriffs of the various counties of the state. The meeting was called for the purpose of organizing a business session.

The regular quarterly examination of applicants for teachers' certificates began before County Superintendent of Schools Berry yesterday, and will continue today. Eight applicants took the examination.

There will be a regular meeting of the Woman's Relief society this afternoon at 3 o'clock at the Congregational church. The board of directors will meet at the same place at 2 o'clock. A full attendance is desired.

The two cottages on the corner of Cache le Poudre and Weber streets, owned by Messrs. Otis and Waterman, are nearing completion. These will be occupied by Mr. Lent and a third house will be started in a short time.

Mr. Frank T. Lent is getting out the plans and specifications for another cottage to be built in Calvert Heights, near Colorado City. There is to be a number of houses built there during the coming spring and summer.

Mr. John Pring, of Husted, one of the largest dairymen in the county according to the Monument Register, will soon erect a large barn for his cows. It will be 48x50 feet and will accommodate 40 head. He has milked during the winter 42 cows.

The coyote hunt at Monument has been postponed until more favorable weather. Several sportsmen came down from Denver last Saturday to attend the hunt, and were quite disappointed that it had to be postponed. Nearly 200 men were on hand to participate.

Dr. J. Warren Rice has come to Colorado Springs, with his family, and will settle here. Dr. Rice is a graduate of the college of physicians and surgeons, of New York city, and has had the experience of some fourteen years of practice in New Brunswick, New Jersey.

The Newton Lumber company expects to have their saw mill in the west-ern part of the city in operation by next Monday. The sliding to the mill is completed, and twenty car loads of logs are now at the mill ready to be sawed. The timber is nearly all shipped from Florissant.

A plat of South Colorado Springs has been filed with the county clerk by Reed Bros. South Colorado Springs embraces about 142 lots, which are south of the city limits and below the Denver & Rio Grande railroad track. The lots would be between Wahsatch avenue and El Paso streets should those thoroughfares be extended.

Last evening about six o'clock a tramp applied at No. 206 East Pike's Peak avenue for something to eat. He was given some food and money by the people living in the house. He left the premises about half past six o'clock, and soon after his departure they missed a fine imported rug. A liberal reward is offered for the return of the rug.

As yet no new developments have been made in the Manitou park murder mystery. Mr. Henry Clark, on whose premises the bones of the murdered man were found, has been directed to communicate with Coroner Davis, with the object of identifying the blanket in which the bones were wrapped, and which is supposed to have been stolen from Mr. Clark by the mysterious stranger who worked for him only one week. Mr. David Spielman, of Manitou Park, who was in the city yesterday distinctly remembers the man who came to the park in August last. He was an entire stranger to all who met him, and the general verdict was that he was not what he represented himself to be. He refused to state who he was, where he came from or what he was going to do. He left Mr. Clark's ranch under very suspicious circumstances and did not even wait for or demand the money which he had earned. Mr. Spielman inclines to the opinion that he was deliberately killed, and that he was murdered for the money. That the murder was carefully and coolly planned is shown by the effort which was taken to conceal the evidences of the crime. Another ranchman in that neighborhood takes an entirely different view of the matter. The bones were found in a locality which was the rendezvous of a band of horse and cattle thieves, a number of whom [illegible] and it is claimed by the desperadoes Klawen and McCarthy, each of whom has served time in the penitentiary. He thinks that these desperadoes killed the stranger in order to save the [illegible] of paying him $30 per month.
